

Yorkshire terrier puppy (700 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-234172-z>

11 weeks old girl. Had first injection. Been wormed and flead. My mum is 75 and was lonely and bought this puppy but she can't cope with it. She has no garden. She is a lovely dog but we shouldn't of bought a puppy for her. We should of bought an older.
