Boto Tyre (UK) International is a leading tyre wholesaler and the sole distributor in the West Midlands. Based in the West Midlands, our main aim is to grow the established worldwide brand of the UK tyre manufacturer, Boto Tyres, on the Road. We provide demonstrable quality with our experienced, competent, and strong structure. Boto Tyres is a leading manufacturer in China. Boto are a leading subsidiary company of the Wanda Group (one of the top 500 Chinese companies). Established in 2004, the company employs over 5000 staff and these products which are manufactured in China, are distributed worldwide. The company emphasises the quality of its products and this has built a strong reputation for the BOTO.

**FULLY FITTED**
