

Hyundai Santa Fe 2001 (700 GBP)

Location **South East, East Sussex** https://www.freeadsz.co.uk/x-234517-z

A well worn and used Santa Fe that is what it is. It runs, its big and its a 4x4. Purchased as a stop gap car and have added 2000 miles in the last month without any dramas Has MOT, legal tyres and fitted a new battery and headlamp bulb as part of a check. Could do with a service on the engine, drips a little oil and is not the best on fuel consumption. Bodywork is sound but marked...it is a 15 year old car that has had a hard life.;
