Electric windows, electruic sunroof, airbags, electric folding mirrors, small lip spolier to boot, double opening tailgate.

This car has been well looked after and therefore is in good conidtion inside and out.

I've owned the car for the past 4/5 years and it has done me really well, and has never let me down.

Recently had the front brakes replaced (November) and a new tyre (August).

Please call if you've any questions.
