Very sadly for rehoming a 2 1/2 yr old medium coated Sable German Shepherd male, 37 kilos, neutered and chipped. No papers. This stunning boy has a beautiful nature and is obedient with basic commands. He will walk nicely on a lead and his recall is good, although he can sometimes have selective hearing if distracted by other dogs! He does not tolerate cats or small pets (guinea-pigs, rabbits) at all, I cannot stress this enough, he has a very high energy/prey drive and will attack a cat if given the opportunity. He has boundless energy and needs a huge amount of attention and exercise, he really needs a very active family who are prepared to include him in their activities. He is not suitable to be homed with a family who work full time. In return you will have a gorgeous, loving and loyal addition to your family! We are asking £250 to ensure that this boy goes only to a genuinely committed family who understand the breed and can offer the right home. 07920441696. ;
