Contenti Law Limited is one of the best and trusted Power of attorney solicitors in East Sussex. A Lasting Power of Attorney is a legal document that allows you to appoint someone you trust to manage your affairs when you are no longer able or willing to do. There are three types of Powers of Attorney: 1) Lasting Power of Attorney – Property and Financial Affairs – LP1F: This allows your Attorney's to manage your property and financial affairs. For example, running your bank and savings accounts, managing your tax affairs, and buying and selling investments and property. 2) Lasting Power of Attorney - Health and Welfare: This allows your Attorney's to make medical decisions on your behalf in the event if you not being able to. For example, what medical treatment you receive and whether you move into a care home. 3) General Power of Attorney: A General Power of Attorney would be used where you need someone to manage your affairs on a temporary basis e.g. selling a property whilst you are abroad.
