For sale for £4995 ono. is my well looked after VW Touran in headturing bright blue.

Since I've had the car it's been cleaned every week including being waxed every 2 weeks. I've machine polished the outside a few times and I've only just done this again prior to sale. The paint is in really good condition and the inside is mint as well as I'm a professional valeter - no dog hair or crumbs!!!!

The car has been driven sensibly and very well looked after - suited our needs perfectly for 2 adults and three children, only now selling as now have a T5 so don't need two large cars :-)

- Front splitter (fog lights not wired in)
- Lowered on coilovers at 55 mm can go lower or higher.
- 18 inch alloy wheels and tyres - all in great condition
- Smoked headlights
- Led rear lights

The car has a full service history
New dual mass flywheel, done in Jan 18/8/2015 miles 64747
It has been lowered it 5/4 inch and replaced
Oil, Air filter, Pollen filter, Brake Fluid
On 30/6/2015 it had a new dual mass flywheel and clutch and gear box oil change
On 9/7/15 it's had a new starter motor

As you can see the car has wanted for nothing. The previous owner has kept on top of things as have I.
The dual mass is a big job that you won't have to worry about - often a concern when buying a used car.

Just a couple of notes: There are 2 advisors on mot, nsf & osf lower arm bushes worn - but not an expensive job at all.

Also something that does not bother me is that on full tight right hand lock while parking the offside drop link rubs because the car is quite low. The drop links are adjustable but can't go anymore. The garage told me if it bothered me I could get him to make some new drop links. Or the suspension can be highered a bit and that will sort it - but I liked it low!

I can also supply the original suspension in a box.

We will be sad to see the Touran go, its lovely to drive and has been a really great family vehicle, with a large boot space and the option to seat 7 if needed.

Thanks for looking, if you'd like to arrange a time to come and take a look, please drop me a message - you won't be.
