Bought from, serviced and maintained by the same Honda dealer since new. With only one owner from new, an unbelievable specification, 12 Months MOT, 2 X Keys, Complimentary warranty and Fully clear HPI report this has to be the one to own? Specification includes; Satellite navigation, Reverse camera, Bluetooth, Full black leather interior, Heated seats, Panoramic glass roof, Active cruise control with collision mitigation, Automatic xenon headlights, Front and rear parking sensors, Voice activation, Detachable tow bar with electrics, Electric folding mirrors, Dual zone climate control with air conditioning and much much more. The car also benefits from new front brake pads and discs fitted by Honda 06/2015 as well as being serviced at the same time. This car also benefitted from having an additional 2 years Honda warranty so I think it is safe to say this is a well maintained example! Part exchange is welcome.
