Location **South East, Surrey**

We've got 6 french bulldog puppies for sale. One boy, five girls.
Puppies will receive their first vaccination before they're ready to leave to their new home as well as they'll be micro-chipped, flea and worm treated. Puppies will be also arranged a vet appointment for their second shots for free. They'll be ready to leave when they turn 10 weeks old after their first vaccinations. Please note they aren't Kc registered. However the father is pure pedigree with papers (mother as well just without papers) We are currently trying to contact the breeder for a copy of the certificate since we've recently moved to a new place so it's a bit hard looking for it.
