

I provide a reliable and friendly service to customers in London and its surrounding areas with great affordable prices. I am available Mon-Sun 24/7 with same day service also available. All work will be done according to the latest 17th edition of the IEE Wiring Regulations and Standards BS 7671. If you are a landlord we can provide a certificate CP12 so you can comply with your legal obligations. Here are just a few examples of the jobs I specialise in and can help you with. install new fuseboards (ccu's)

- Replace old light fittings, sockets, light switches etc. with new ones;
- add additional sockets and lights;
- install cookers;
- install new shower circuits;
- hard wire mains smoke alarms;
- extractor fans;
- security and outside lights;
- outside sockets;
- garden lights;
- cooker supply;
- shower supply;
- upgrade or replace faulty mcb breaker/fuses for fuse boards (CCU) with new ones;

<p>spotlights</p> <p>limited time offers</p> <p>tree and decorations for your events</p> <p>and much more!!</p> <p>from a few hundred dollars to over a thousand dollars for me from the state at a time!</p> <p>facebook: www.facebook.com/loydhallowelllectrics Twitter</p>
