This is a great caravan in excellent condition. Has a seating area at the front of the van with a sky light on top over this brings a great amount of light through the day.

It is a great size and has a hob and oven. Plenty of storage space. The van has hot/cold water. Can supply hot water to the electric boiler inside the van. The van works on gas and is as easy to tow as a car. You have air heating as well which is fitted all the way through the caravan which gets the heat all through the van.

The washroom is at the rear end of the van, there is a swivel toilet, sink and a separate shower on the left hand side.

This is a single axle caravan, easy to tow, tyres are good too.
