in a great area, has a large size dining table, hob and oven, electric, plenty of storage space. The van has hot/cold water. Can be used as a water pump or electric boiler. Inside the van has a separate shower, toilet, sink, as well as electric heating, easy to use, heats up quickly. You have air heating as well which is fitted all the way through the caravan which gets the heat all through the van.

The washroom is at the rear end of the van, there is a swivel toilet, sink and a separate shower on the left hand side.

This is a single axle caravan, easy to tow, tyres are good too.
