It is in a great area, has a large size dining table, hob and electric. Plenty of storage space. The caravan has a heater, water pump, and electric boiler. Inside there are 2 beds, 2 seats, and a table. It works on 230v and has a 230v plug. It is easy to tow and has a lot of space. You have a lot of air heating as well which is fitted all the way through the caravan which gets the heat all through the van.

The washroom is at the rear end of the van, there is a swivel toilet, sink and a separate shower on the left hand side.

This is a single axle caravan, easy to tow, tyres are good too.
