Suzuki SV650S K4, 2004, 32,000 miles, really well looked after, very clean, everything as it should be. HPI clear. Runs and rides really well, comes with a full years MOT, service history, Leo Vince can with street baffle, Givi rack, crash bungs, Oxford heated grips, fender extender on the front, rear hugger, dark screen, tank pad, Alpha dot. Needs absolutely nothing doing to it, good tyres, pads, chain and sprockets. Got previous receipts and MOTs, a bike to be proud of for not a lot of.
