No signal? Storm damaged aerial or dish? We can help. Only have a few Freeview channels? Your aerial may be tuned to a sub transmitter. We can try our best to retune your aerial to a main transmitter (ie Heathfield, Hastings and Brighton Masts) Salty air rusted your dish? Upgrade your rusty dish for a new fibreglass dish that will last 10+ years. We also fix phone, broadband or WiFi problems. Proud members of checkatrade.com. Fully insured. CRB checked. Call us on Eastbourne 01323 365600 or Brighton 01273 973983 or Hastings on 01424 576404 or our freephone
