Matt Lucas is Pompidou in this superb visual comedy series, a penniless aristocrat living in a broken-down caravan on his now-crumbling estate. Kept company by his long-serving and loyal butler Hove (Alex Macqueen) and his devoted Afghan Hound Marion, when there 's no food and no money, or no heat and no money; or no money and no money, what 's a man like Pompidou to do?

He looks to the lottery or turns up an antique; he takes on a blind date or empties his cupboards for a jumble sale. But whatever he does, Pompidou embraces a whole new world of laughter as he tries to turn his life around — without being naughty... very naughty! Special features: 6 Audio Commentaries featuring Matt Lucas and friends; Behind the scenes with Pompidou; Pompidou's Special Effects & Music; Marion the Woof Woof; Bloopers; Subtitles. Brand new and sealed. ;
