

iPhone 4s 16GB - Unlocked (105 GBP)

Location

South West, Avon

<https://www.freeadsz.co.uk/x-235972-z>

Here we have my beloved and very well looked after iPhone 4s. Has always had a screen and back protector and kept in a case. The condition of the phone is like perfect apart from some minor wear and tear marks. The phone is FACTORY UNLOCKED, directly purchased from Apple. Works perfectly fine and comes fully boxed with charger, USB cable, all booklets, spare screen protectors, case and box.
