Here we have an excellent 2009 Yamaha R1 in the best colour scheme available. The bike is in untouched/standard condition, just as it came out the crate. This bike has Full Documented Service History and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork has a few small stone chips but you really have to be looking for them to notice. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. New tyres have been fitted to the bike so no need to change them for a while! A Hugger has been fitted not only for looks but to keep the dirt from the road hitting the paintwork. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket. Being Fitted with Adjustable Brake and Clutch levers enables the rider to set up the bike as they want it. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. \*NOTE: Alarms can be fitted to any bike at an additional\*\*
