Beautiful single breasted trench coat bought a few years ago from London but now a bit too small for me. It should fit a size 6 - 8 of medium height. It is dark washed gunmetal grey(darker than it looks in the photos),the perfect colour to wear over everything this winter going into spring.It is unlined cotton with See by Chloe branded buttons,epaulettes,buttoned sleeve straps to the cuffs and storm flaps to front and back that can be unbuttoned if wished.It has slanted pockets at the front. The sleeves are nice and long and can be worn down over the hand or pushed back up the arm. It has been worn quite a lot and washes well in the washing machine on delicates even though it says dry clean only on the label. It is still in good condition and still has its original enamelled metal fairy pin brooch(which is removeable) on the rever/collar. This is a very stylish coat that looks great on,very understated elegance and at a very tempting price for a quick sale(I need to put the money towards a new coat!) Please come and try it on,the photos dont do it!
