I inherited this stunning bracelet a few years ago and unfortunately do not know about it's origins. From what I have researched on the web it could possibly be from the middle East maybe Afghanistan. There is a Hallmark on the S shaped Clasp, the bracelet is 18cms long. It has not been worn by me at all & has been carefully stored away it looks in Mint Condition. This would make a stunning gift to someone very special!!!! From a pet/smoke free.
