Here we have an immaculate 2014 MT-09. With so few miles on the clock, the bike is only just run in. Only one registered Keeper from new. The bike is in untouched/standard condition, just as it came out the crate. This bike has Full Documented Service History and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. This bike is the latest design for this model. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. This would make a excellent commuter/street bike. New tyres have been fitted to the bike so no need to change them for a while! A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. \*NOTE: Alarms can be fitted to any bike at an additional\*\*
