

Creta 039Woodland039 Flatbed Floor and Wall Tile Cutter with TC Blade, Very Little U

Location **South West, Isle Of Wight**
<https://www.freeadsz.co.uk/x-236405-z>

This has had very little use, just for a single row of wall tiles around a sink, so is in excellent very clean condition.

It will take a maximum tile length of 10", 25cm.

Original cost some years ago was £10, so I am asking £6 ono.

Buyer collects, or could be posted at carrier cost of £3.
