

Piano circa 1905 Bogs amp Voigt, German

Location

South East, East Sussex

<https://www.freeadsz.co.uk/x-236536-z>

Mahogany with art deco detailing, good condition, needs tuning, iron lloyd frame, storage piano stool included. Great for learning to play kids or adults. Overstrung layout giving longer bass strings providing richer sounding, truer bass notes as well as a more sturdy construction. Also the bridge, which transmits the string vibrations to the soundboard, does its job much more effectively as it is further from the edge of the soundboard. Dimensions available if you are.
