I have for sale a Vintage 50's/60's Zyn 18" Medium Ride/Crash Cymbal. Made in England by Premier. It is in excellent condition and sounds great for its age, with no cracks or dents, however it does have many small stick marks, scratches and some oxidization on the underneath, which you would expect on a cymbal of this age. The oxidization could possibly be removed with further cleaning, but I didn't want to over do it. There is also some squaring of the whole mainly on the underneath.

I have tried to highlight the scratches/marks etc but the pictures have not shown these very well, due to many of them being quite fine and the reflection. Please contact me if you need any more info on the condition as this cymbal is very old and NOT perfect.

I also have a Zyn 18" Medium/Thin Crash/Ride for sale. Please see my other items.
