56 plate BMW. MOT until October 2016, Only 1 previous owner before me. Has 129400 Miles on the clock and was purchased when it had 96000 on the clock. In July 2015 i had a new Turbo, Intercooler, Air Filter, Oil Filter and all other parts that need to be changed when having a new turbo fitted and i have the receipt to prove this. Body work in good condition apart from 10 inch scratch on the bonnet. Black Leather Interior. All electric components work fine. Drives very well and clean. Selling as ive had this vehicle for 4 years and now i am looking for something.
