Italian real leather tan brown fringe fringed tassel moccasin style ankle boots size 6 (2

I fell in love with these gorgeous fringed boots which are made in Italy from tan brown real suede leather but sadly they dont really suit me. They remind me of Pocahontas because of the fringed moccasin style but they are very on trend this season and will go with all this Autumn/Winter's colours. Lovely with skinny jeans or leggings. They are very comfortable to wear and are in very good condition as only worn once or twice at most. They are size 6 and have textured rubber soles. I will consider near.
