Location **South East, Surrey**

3 months ago we had a new gear box and clutch put in for £1400.

1 month ago we paid another £1400 for the following work back:

- MOT
- Major service
- 1 x new fuel injector
- New water pump and cam belt
- 2 x new tyres

New brake pads and oil and few other bits So we have spent £2800 and the head gasket has just blown on New Years day. It's currently at our local garage as a non runner and they're awaiting our instruction.

It's a:

Citroen Xarra Picasso  
 Silver1.6 HDi 92 Desire  
 62,418  
 5 doors  
 YD08APF 10/03/2008

MOT till November 2016  
 Car tax till November 2016

Few minor scuffs and scratches on the exterior (we could use some back to black and t-cut to smooth them out)

Interior is in good shape after a year. We have most of the receipts for the history. The car is in excellent condition. If you have a mechanic who can repair the head gasket, good price for a very reliable and tax efficient car. New parts are very cheap. For a diesel it's currently at our local garage but we can go there to look at it but it's not the other one. It's a 5 door.
