3 months ago we had a new gear box and clutch put in for £1400.

1 month ago we paid another £1400 for the following work back:

MOT

Major service

1 x new fuel injector

New water pump and cam belt

2 x new tyres

New brake pads and oil and few other bits So we have spent £2800 and the head gasket has just blown on New Years day. It's currently at our local garage as a non runner and they're awaiting our instruction.

It's a:
