

Hello, My name is Joshua and I work at Skipsea Sands Holiday Park selling Holiday Homes on behalf of Owners and the park!

FUNDING PACKAGES

Just a minimum of 10% secures your holiday home, allows us to site and get everything ready for your arrival. We use four different companies, you tailor make your own package and two of our lenders are optimistic even where bad credit may be involved.

THE PARK

Skipsea Sands is situated bang on the coastline, looking out over miles of sea & sand. Whether you like bathing in the sun on the deck with a glass of wine or watching the lightning over a hot chocolate, Skipsea is undoubtedly the best in the area.

~~We have amazing facilities on the park itself, there is never a dull moment.~~
