Much loved BMW 318i ES which is in exceptional condition. This is the newer engined 318i which has a much improved 44mpg (which you actually get), far lower tax banding at £145p/y and a more powerful 143BHP. I am the 3rd owner. Decided to treat myself to a Z4 hence the sale.

Condition wise the only slight blemishes are a small light short scratch to one door and some slight curbing to the wheel edges. Both are not significantly noticeable and I'm only disclosing them in the spirit of being completely honest. This is probably the best condition 3 series of this age currently for sale. The colour manages to be a combination of blue, silver and green somehow! In good light it looks stunning, the pictures don't do it justice. I travelled 100 miles to buy this car because of the colour.

Has the usual kit you would expect from a BMW, plus the upgraded professional sound system which has an AUX input. Whatever BMW you buy do not get the standard stereo, the professional is significantly better. 4 x electric windows and mirrors. Original two keys included. 12 months MOT, just serviced and two brand new Goodyear tyres on the front. Rears have 5mm tread. No money will need spending on this car for around 15,000 miles which is when the next service will be due.

If you've never had a BMW before the handling and balance are superb. It just feels right when driving.

Serviced at: 30626, 38817, 49891, 56722, 66948 and yesterday at 74618.

Located in Northampton, J15 of the M1. Well worth the trip to view.

As always please do not hesitate to ask for further resources or more available for request. This is my email address freeadsz@bt.com for a bargain and a quick sale and so no other offers accepted.
