Child at secondary school? They need LearnerVerse, the affordable online alternative to private tuition. 1,500+ videos of real teachers teaching from Key Stage 3 to A level across all subjects. Each video accompanied by a multiple-choice assessment for your child to check their understanding of problem topics. Careers guidance and information on over 250 professions. Parents are buying LearnerVerse because they recognise the importance of supporting their child's education. LearnerVerse is amazing value. One month's subscription is less than the price of one hour's private tuition. Can you afford not to join? Sign up at: http://learnerverse.uk/
