4 Yorkshire terriers need a loving home (250 GBP)

Location **Wales, Gwent** https://www.freeadsz.co.uk/x-237775-z

Four Yorkshire terriers are in need of a loving home due to a breakdown in a relationship. I have 2 girls and 2 boys. 2 of them are nearly 4 and 2 of them are nearly 3. They have wonderful temperaments and personalities. These dogs do not come with papers and have all been castrated apart for the one female. No time wasters.
