The XJR1300 is back as the latest offering in the Sports Heritage Range. 20 years of evolution have delivered a stunning take on the iconic machine. Featuring the largest displacement inline-4 air-cooled engine in the market, the raw power and stripped back muscle bike styling sets the latest XJR apart. From stock in Black at Lamba 0208 647 4851 60th Anniversary Yellow available Spring 2016 The XJR1300's slim racer-style fuel tank and aluminium handlebars show off the aggressive large displacement air-cooled muscular engine. A solo-seat styled design is complemented with an aluminium side cover in the style of a seventies racer number plate with three mesh inserts. The look is complete with a black 4-2-1 exhaust and new styled tail design. Details 4-cylinder DOHC 1,250cc air-cooled engine 98 hp 108 Nm Muscular, stripped back functional beauty Largest displacement air-cooled engine Raw torque output Slim fuel tank design with race-bred look 4-2-1 matt black exhaust and new design end cap Solo-style seat design DLC (Diamond-like Carbon) coated inner tubes front 180mm diameter multi-reflector headlight A-hlins rear suspension Re-designed instrument panel Alarm / Immobiliser, Nationwide Delivery, £99 UK
