

For Sale - New MAXXRAXX 2 Bicycle Carrier suitable for all 4x4 vehicles with a rear mounted spare wheel. It is robustly built from structural steel and finished in a textured matt powder coating. It carries 2 bikes with a maximum load capacity of 50kgs. MAXXRAXX Premier cycle carriers have a tilting facility, an inbuilt security cable, unique ratcheted tie down mechanism and are supplied with fixing bolts, locating pins and 2 padlocks for added security. Features and benefits of MAXXRAXX 2 bicycle carrier: â€¢ Suitable for carrying 2 bikes. Has a load capacity of 50kgs. â€¢ Tilts with bikes loaded for easy access to rear hatch/boot. â€¢ Bikes are gripped firmly and held clear of your vehicle to prevent damage to paintwork. â€¢ Can be taken apart for easy storage. â€¢ "Tow and carry" leaves your tow ball left free to enable towing at the same time. â€¢ Easy to fit and use and requires no extra straps to secure the bikes. â€¢ Strong ratchet and patented bike cradles hold bikes securely. â€¢ Built in security - security cable locks bikes to the rack and rack is locked to the tow bar. This is brand new and not used. I am asking £130.00 OVNO excluding delivery. Buyer to collect or arrange delivery. I can post/courier but buyer is responsible for p&p costs. Also available for sale the following accessories. These are new and not used. A specially designed Kit bag - ideal storage for your cycle carrier for use in your car or garage.â€¢ Holds all the different parts of your MAXXRAXX bike rack safely and securely. The kit bag is brand new and not used. I am asking £25.00 OVNO excluding delivery. Buyer to collect or arrange delivery. I can post/courier but buyer is responsible for p&p costs. MAXXRAXX 90cm Light Board to comply with legal requirements when any of the rear lights and/or number plate are obscured or partially obscured when carrying your bikes. The light board is constructed from white extruded plastic. It has the following features: â€¢ 2 tail lights â€¢ 2 stop lights â€¢ Right & left indicator lights â€¢ 2 number plate lights â€¢ 2

rear (red) reflectors â€¢ 2m of 7 core cable with 7 pin plug â€¢ Dimensions: Length 923mm x Height 100mm x Depth 70mm. The light board is brand new and unused. I am asking £12.00 VNO excluding postage. Buyer to collect or arrange delivery. If a post/other delivery is required for p&h please contact me. Bracket provides a secure location to fix your light board (legally required for your vehicle) and is made from a number of robust materials. The danger from this is only if the bracket is not the Top Beam and allows any light board to be held securely by a simple screw adjustment. The light board bracket is brand new and not used. I am asking £12.00 VNO excluding postage.
