Oh, it's available

It's always up to you

No two pieces are ever identical, because each one is laboriously assembled by my hands.

My stuff is priced the way it is because it's worth every penny of that price. The price includes not only the physical materials in the piece but the time and care that went into it's creation. If you really look at my stuff, you will realize that each and every piece is as individual and unique as you are, and you will quickly agree that my stuff isn't expensive at all.

I have brooches, necklaces and handbags. ---- Want to get 40 FREE Etsy listings when you open up a
