We at Knickerbockerglory TV are currently producing a new Documentary reality show for a major UK broadcaster about a celebrity learning to become a taxi driver.

We're currently searching for outgoing and chatty people to take part and become a passenger in our cab, getting the chance to interact with the celebrity. We are after a mixture of people with interesting stories, who aren't afraid to speak their mind in front of a celebrity. You can apply as an individual, as a couple, with your family or friends.

If you fancy being driven by our celebrity taxi driver to your event - this could be a wedding, birthday party, concert, job interview, airport drop-off...

...or if you just want to have a laugh with our celebrity, then this could be the show for!
