

COOKS FOOD PROCESSOR COMPLETE WITH MANUAL (15 GBP)

Location

South East, East Sussex

I have used this twice and no longer have the box or the spatula. However, I do have the instruction manual. This is in perfect condition and a useful addition to your kitchen, especially if you like to use fresh ingredients that need chopping, slicing etc. I am ashamed to say that I just don't cook like this so the processor never gets used and is just taking up.
