For sale is my bmw e46 325 ci sport which has been a pleasure to own and great fun to drive! Sale is due to having to buy a van for a new Bussiness and no longer used. The car is full working order and generally in good condition as it has been well looked after with a folder of receipts of works carried out. Currently it has a aftermarket stereo fitted including steering wheel control and a air intake also. The original stereo and air filter housing have been kept and will be supplied with the sale. For a full list of features take a look online as there are too many to list in the add.:
