Very economical and cheap car to run. Had for over a year and a half and has never let me down. Recently had two new front tyres, new brake pads all round, new brake discs all round, new brake calipers. I have the car serviced regularly and runs really well. It currently has 17" audi tt alloys in matte black but can change them to silver. The car is my daily driver so has 82k on the clock but will go up daily. Great family car with 6 speed gear box so I usually cruise in 6th gear for fuel efficiency. I'm happy to take less with Mot on her until 23rd February 2016.

It will have a full valet before sale.  
 £3200
