

New and Used Static Caravans FOR SALE at 5 Owners Only Holiday Park (18,995 GBP)

Location **Scotland, Berwickshire**
<https://www.freeadsz.co.uk/x-241737-z>

Contact Simon Reynolds on 07581269798 to book your FREE VIP, no obligation park tour including full use of facilities and to try our 5* restaurant. Our holiday homes start from £18,995 upwards including all siting, connections, gas test, electric test, internal valet and external clean. Choose your very own plot on park giving you a personal address for your caravan. Lots of plots with plenty of privacy and that get the sun all day round. These are allocated on a first come, first served basis. Amble Links holiday park is a five star owners only holiday park and with that comes five star service and five star facilities. These facilities include The Old Storehouse bar & restaurant with fantastic food all served using local produce giving it a real authentic feel. A large selection of drinks is available at the bar area to suit everyone's tastes including soft drinks for the children. Best of all the bar area is also pet friendly and shows all the major sporting events through Sky Sports.

Separate to the bar and restaurant is The Links bar, an owners only entertainment bar, where an array of acts perform every Friday and Saturday night. This becomes more frequent on the holidays especially special days like Halloween or Christmas. Part of the entertainment is our in house kids team who dedicate themselves to keeping all the children on park happy and with lots to do.

Within the park is The Pantry, a delicatessen/coffee shop where you can not only have a relaxing cup of coffee but you can also get a few groceries for your stay at the caravan. Wait! That's not it! The Pantry turns into an adults only wine bar on Friday and Saturday nights where you can enjoy a quiet drink or two!

The park boasts two childrens outdoor play parks and a multi-use games arena for childrens sports, tennis, table tennis, football and basketball, a fun way for the children to stay and healthy activities on the park. There is also a exclusive area for leisure including a hot tub, indoor swimming pool, sauna, steam room and a bar. The park has WIFI hotspots and is pet friendly with a dog all year round policy beach just a stones throw away! The beach gives you great access to walk/run/cycle all the way along to Druridge Bay. Its only a short walk into the fishing port of Amble and a short drive (or walk) to Warkworth, Amble, Druridge Bay, Seahouses, Holy Island, Bamburgh and lots more. You could even jump on the train from Alnmouth and visit Scotland's fantastic capital city of Edinburgh or the day, where you can shop all you drop, only a hour train journey away!
