The Atlas Nevada is 32 foot by 10 foot and comes fully furnished with an L shaped sofa, complete with a pull out double sofa bed, within the lounge area and benefits from a built in TV unit with plenty of shelving space. Within this spacious lounge is a dining area with seating and dining table and a gas fire to keep you warm when it starts to get a bit colder. Just off the galley kitchen is a large family bathroom with step in shower, toilet and sink. The main bedroom consists of a big double bed and large built in wardrobes to store all your clothing and other stuff. The second bedroom has 2 twin single beds. This holiday home is in immaculate condition so I doubt it will be around for long. Don't miss out contact me to view today. I would recommend this holiday home to anyone with a small family or for anyone who has never owned a caravan.
