What could DRUMMING do for you? All ages welcome (I've taught from ages 6 - 72). All levels of experience welcome (I've taught complete beginners, students going for Grade 8, and even professional drummers). All ambitions welcome (I've taught people who want to join a band, students who just start a new & exciting interest, students who wanted to improve their UCAS statement... as well as those who just wanted to impress their mates!). Drumming is fun. Drumming can help reduce stress. Drumming is good for building confidence. Drumming is great for improving your co-ordination & concentration, not just your musicality. Drumming can offer the above benefits - and many others too. Learn to play drums with a friendly, experienced, professional drum tutor. Fully insured and DBS/CRB checked. Saturdays at the Capoeira Centre in Streatham. £25 for 50 mins. Call Craig Plummer-the-Drummer for a no-obligation chat to find out more. Why not make "Putting Yourself 1st" your 2016 New Year's Resolution!;
