If you play the UK lottery you will probably know that the price of a ticket doubled from £1 to £2. And at the same time another 10 balls were thrown in sending your chances of winning spiraling down. Because of this it has never made more sense to join a syndicate so you can play with other online players and dramatically boost your chances. And now it has never been easier with the launch of WinLottoTogether.com – Europe's premier online lottery syndicate. Join the Gold group and share 20 Lotto tickets every week (10 on Wednesday and 10 on Saturday) for only £3.97! Or join the Platinum group and share the same 20 Lotto tickets AND 20 EuroMillions tickets (10 on Tuesday and 10 on Friday) every week for only £7.97! BUT NOW YOU CAN ALSO PLAY FOR FREE! That's because we also have a really really great referral programme. Basically for every person that joins us on your recommendation, you will receive a £1 credit to your online wallet every single week for as long as that referral is a member. Yes that is £1 every week in addition to your winnings. SO HOW DO I ACTUALLY PLAY FOR FREE??? Well let's say you are a Gold member and you refer 4 of your friends and contacts. You will receive £4 every week into your online wallet. But seen as your membership only costs £3.97 a week you effectively become a free member. But not only that, you'll be making regular income from your share of your group's winnings and each week have a chance to win a life changing sum of money if your numbers come up! SO ONCE I'VE SIGNED UP, WHAT NEXT? Well you can sit back and relax as we will take care of the rest. We will allocate you to a group, buy the number of tickets you signed up for each week, check your numbers after each draw and most importantly credit 100% of your share of your groups winnings to your online wallet.

So what are you waiting for? Join Europe's premier online lottery syndicate. Join WinLottoTogether.com;
