This C Max has been in my family for the last 4 years. never had a problem. not your basic C Max. So comes with loads of extras. As there is a few little things that need doing I've knocked the price down by £800. There is some rear end damage. But never affected the smooth drive. only reason for sale is I'am down sizing and getting a newer car. This car has been serviced about 8k ago. but is due a 3 year service in July'
