This C Max has been in my family for the last 4 years.never had a problem.not your basic C Max.So comes with laods of extras.As there is a few little things that need doing I've knocked the price down by £800.There is some rear end damage.But never affected the smooth drive.only reason for sale is I'am down sizing and getting a newer car.This car has been sevised about 8k ago.but is due a 3 year service in July'
