Party Wall Surveyors is a Building Surveying Practice that specialises in Party Wall Matters throughout Greater London, the South East of England, and the rest of the Country Nationwide. Your Local Surveyor should only live or operate a few miles away therefore if you need him hes on hand! We have opened a new office in City Road Central London where we can meet commercial Clients and Surveyors to discuss larger more demanding projects (all meetings by appointment please) along with other offices in Hatton Garden, London. We also have a "walk in office" in Galway City, Southern Ireland, this is situated next to The Parkhouse Hotel in Foster Street. We have Specialist Wall Surveyors located across the UK from Cornwall to Scotland and are in the process of expanding to form the biggest "Network" of Party Wall Surveyors in the Country. Each Surveyor either works from a "home office" or from small commercial unit, we have a very keen pricing structure from £395.00 to include Central London as well as other city locations, we will always beat any quotation from another firm by 10% this is guaranteed.
