Looking for forever homes: 4 Adorable fluffy female Bichon Frise puppies for sale. Born and raised in the family home surrounded by children, cats and a lot of love so they will be very happy, well socialised puppies.

Both parents are Bichon Frise. Father is KC registered with papers but mum is not. Mum can be seen with puppies. It may be possible to arrange to see the father on request.

The puppies were born on 6th December 2015 with no issues and will be ready to leave after 14th February at the very earliest.

They will be vet checked, wormed and have had their first vaccinations by the leaving date.

Deposit of £100 is non-refundable for the puppy of your choice. We are happy to arrange viewings but no time wasters please.

You must be able to commit to providing the puppy a happy, healthy home environment, we will not permit them to go to homes where they would be left for periods of time over 3 hours or breed.
