Low for age 101k miles, bodykit, Lexus lights, remus exhaust (back box and centre pipe), eyebrows, traction control, etc. Very big inside, fits our three kids in easily. Massive boot!

Hawk alarm with remote start. Decent black interior. The engine runs great, uses no oil or water.

No advisories on previous two mots. Faults : Needs a gear linkage sorting as won't go into reverse. Also has rust around offside rear arch. Not used as have a company van and need this gone as just sitting
