100 year old teak wood Jarokha was designed and carved by my grandfather nearly 100 years ago. We are in the business of fine arts, wood carpentry, wood carving, Temple making with teak wood and Silver and Gold carving since last 5 generations. This Jarokha has been in our family for several generations but our children have decided to venture into different professions. So we would like to sell it off. The lions are 36" long and 77" high and 18" wide. This would be perfect for decorative foyer piece of large houses. Shipping, handling and insurance shall be extra. Please contact Mr. Suresh Mistry
