ktm 525 exc 2005 superbmoto 1m sad to see this bike go but ive fallen in love with 2 strokes again, I am looking for a KTM exc 300 now. Ive spent lots of money on the bike whilst ive owned it. Its had a full service and the valve clearances checked every 2 rides top end engine rebuild new rocker arms and cam and gasket set ect(3 hours ago), The clutch casing plus fly wheel case has just been power coated orange as well as the frame which is black gloss plus swing arm. The bikes performance is spot on full power runs and starts as it should engine and gear box are spot on she is a very fast bike the RFS engine is one of the most reliable motorcycle engines u will not be disappointed with this best. The bike will come with a KTM folder full of receipts to prove money that's been spent When I brought this bike a year ago it was fully standard its been overhauled to the top spec no expense spared. New throttle cable set New air filter New battery New fuel mixture adjuster new trick Foot pegs new trick Gear lever new trick Rear brake lever new trick Rear chain slider Frame powered coated black New swing arm bearings New upper and lower shock bearing New fork seals Orange radiator hoses New plastics & graphics New black tank Larger water pump kit Orange spoke guards Orange carb hoses New starter relay New brake pads front & rear I have some spare parts for this bike some ill be giving away with it, this will included: Orange plastics, Original rad hoses, rear chain slider, I also have a orange petrol tank and a set of enduro wheels what have new bearings in them i will only give them away as an extra price or some sort of deal. I have full log book for the bike & Mot runs out on 16/11/2016 I put a second hand clock on the bike and the miles showing are 9356 what is wrong the real miles on the old clock are 7149 miles Cash on collection. no over seas buyers. no test rides unless cash in my hand and photo id. im in no rush to sell this bike so no silly offers please would swap for ktm exc 300. I could deliver within 50 miles

at extra cost. the bike is kept at a lock up so let me know if wanting to view the bike so I can pick it up
